Dear Mr. Jordan:

RE: Response to MUR# 6456- Liberatore for Congress Committee, Louis G. Baglietto, Jr. Treasurer.

The Liberatore for Congress Committee and I deny the allegations set forth in Kerry Wilson fifth complaint.

Although he is correct in that the FEC filings show that a loan previously made by Phillip Liberatore to the campaign was subsequently listed as being made by Kimberly Lepins; he is incorrect in his allegations that such a loan was actually made.

Kimberly Lepins has never made a loan to the Liberatore for Congress Committee.

After a review of the Campaign accounts and files, I must assume that it is a result of clerical error or system malfunction

I have begun an internal review to ensure that there are no other errors in the campaign filings and will make all necessary amendments to the previous reports.

After submission of the amendments, we urge the FEC to close the matter without further review.

The forgoing is correct and accurate to the best of my knowledge, information and belief.

Respectfully Submitted,

Louis G. Baglietto, Jr- Treasurer
